

Don't run.

Stop touching him.

Don't throw the toys.

Stop interrupting.

Leave him alone.

Don't hit.

Stop yelling.

Calm down.

You're doing bad listening.

Stop picking your nose.

Walk, please.

Hands to yourself.

Please keep your toys on the ground.

You want to talk to me. Wait one moment, please.

Come over here and play.

Only gentle touches, please.

Quiet voice, please.

Take a deep breath.

Look at my eyes. I need good listening.

Go get a Kleenex, please.
